## Walking Backwards: Grand Tours, Minor Visitations, Miraculous Journeys, and a Few Good Meals

Mark Frutkin

*From Istanbul to New Delhi to Boulder, Colorado, through Venice, Paris, Rome, and points between.*

*As travellers, we are always walking backwards, forever on the verge of stepping into the unknown, never knowing what waits around the next corner.*

*You could be lost, forget your passport, fall ill. You could be served a bowl of food and not know whether it's animal, vegetable, or mineral. Even flushing the toilet can be an adventure.*

*You are a child again, innocent and hoping for the best, forced to trust strangers. Quite often this works out. Not always.*

*Walking Backwards* is a return to 10 cities and what happened there. Whether inadvertently smuggling cloth into Istanbul, reading poetry in New Delhi to a crowd expecting a world-famous pianist, or wandering endlessly through Mantua searching for a non-existent hotel on a street that's fallen off the map, Mark Frutkin is a master at rediscovering the magic at the heart of all travel.
