**Muslim Medical Ethics: From Theory to Practice (Studies in Comparative Religion)** Jonathan E. Brockopp, Thomas Eich

Muslim Medical Ethics draws on the work of historians, health-care professionals, theologians, and social scientists to produce an interdisciplinary view of medical ethics in Muslim societies and of the impact of caring for Muslim patients in non-Muslim societies. Edited by Jonathan E. Brockopp and Thomas Eich, the volume challenges traditional presumptions of theory and practice to demonstrate the ways in which Muslims balance respect for their heritage with the health issues of a modern world.
