Who's Who in Plastics Polymers, First Edition James P. Harrington

This is the first edition of a unique new plastics industry resource: Who's Who in Plastics & Polymers. It is the only biographical directory of its kind and includes contact, affiliation and background information on more than 3300 individuals who are active leaders in this industry and related organizations.

The biographical directory is in alphabetical order by individual name. After each individual name, current affiliation and contact information is provided. This includes job title, full name of affiliation (e.g., business, university, association, research institute), business address, and electronic contacts-telephone, fax, e-mail and Web site. Home addresses and contacts are also provided for most of the entries.

In the biographical summary section for each individual, the following information is provided: date and place of birth, education and educational achievements, work experience including company or other organization names, positions held and time periods. Also included in this section are the number of patents awarded, articles, and book chapters authored, and conference sessions chaired. Other information includes titles of books edited or written by the individual, listing of conferences where the person had a leadership position, and listing of memberships and positions held in professional organizations. Finally, professional and civic awards are listed.

Indexes provide listings of individuals by company or other organization name, and also by geographical location.

Who's Who in Plastics & Polymers is now published in a limited edition of 1,000 copies. This edition will not be reprinted. To be sure of receiving your copy, please act now. Information on ordering follows sample pages on the reverse.
