Caged & Transported Compendium Vol. 3 (Volume 3) Amelia Stark

This book, Caged & Transported Compendium 3, contains two books, which have already been published in ebook form. The books, 'Three - New Order' and 'Four - Revenge', are the 5th and 6th books of an epic Pony-girl saga that is currently 14 books long. In 'New Order', BJ's life is in danger. Aiko has killed once and begins to plan a second murder. The younger members of the company Aiko, Moto and Takumi are in league together and want to move onto producing Mobile Sexual Art. Mandy and Mary (Book One) were both used to display the old ethos of the company, which has become tired and boring. Aiko and the professor renovate them and turn one into a mobile example of their new art form, and the other into a latex skinned Pony-girl. In the second book, 'Revenge', Tom, Aiko and Etsuko continue to dominate Penny, who is transformed into a Pony-girl and entered in her first race. Some of the characters continue throughout the Caged, Frisky and Sheik Husni books. The books are all interlinked and I'm sure you'll enjoy reading your way through all of them. The characters in this novel experience female and male domination, training (BDSM), and bondage in leather and rubber. It contains explicit sexual situations, and is written for adults only and not for those with delicate sensibilities (18+) The next book is Caged & Transported 5 (Finale)
