## **History of the Jews in Russia and Poland, from the Earliest Times Until the Present Day, Vol. 1 (Classic Reprint)** Simon Dubnow

It is not my intention to expatiate in these prefatory remarks on the present work and its author. A history of the Jews in Russia and Poland from the pen of S. M. Dubnow needs neither justification nor recommendation. The want of a work of this kind has long been keenly felt by those interested in Jewish life or Jewish letters, never more keenly than to-day when the flare of the world conflagration has thrown into ghastly relief the tragic plight of the largest Jewry of the Diaspora. As for the author, his power of grasping and presenting the broad aspects of general Jewish history and his lifelong, painstaking labors in the particular field of Russian Jewish history fit him in singular measure to cope with the task to which this work is dedicated. In what follows I merely wish to render account of the English translation and of the form of the original which it has endeavored to reproduce. The translation is based upon a work in Russian which was especially prepared by Mr. Dubnow for the Jewish Publication Society of America. Those acquainted with modern Jewish literature in the Russian language know that the author of our book has treated the same subject in his general history of the Jewish people, in three volumes, and in a number of special studies published by him in the periodical *Yevreyskaya Starina* (Jewish Antiquity). (Typographical errors above are due to OCR software and don't occur in the book.)
