**Neuromuscular Disorders in the Adult: A practical manual (Oxford Care Manuals)** David Hilton-Jones, Jane Freebody, Jane Stein

The term neuromuscular disorders covers a wide range of conditions varying in age of onset, severity, and speed of progression but which share many common management issues. Written by a multidisciplinary author team for all those involved in the overall care and management of such individuals, this handbook smoothes the journey for patients and carers through the complex maze of management issues relating to their condition.

Extensively illustrated throughout, *Neuromuscular Disorders in the Adult* concentrates on the care of the adult patient - including those who may have acquired their disability during childhood, providing practical advice and support for all professionals working with people with muscular dystrophy and other neuromuscular disorders.
