“To my mind, this is easily the best collection of Holmes stories ever assembled. The variety of the stories are great and, as always, excellently written. What I like most about it is that it reveals many stages of Holme's life.” John Darling

“This is the second collection of Sherlock Holmes short stories and it is even better than the first as it becomes a bit more than simply solving mysteries as we find out more about Sherlock Holmes's life and his character is developed.” Dan

“This collection presents many of the most familiar cases Holmes and his assistant, Dr. Watson, ever solve, including "Silver Blaze," "The Greek Interpreter," and "The Musgrave Ritual." As Holmes's fame grows, it brings him notoriety that piques the ire of London's criminal underworld, who begin to scheme against him. It is in "The Final Problem" that Dr. Watson relates the grisly, fatal, and shocking tale of how Holmes finally meets his match, encountering the diabolical Professor Moriarty in a terrible struggle at Reichenbach Falls.” Lori Caswell

“Memoirs holds its own as a great classic short story collection.” Greatdetectives.net
