## **The Year of Magical Thinking** Joan Didion

“this happened on December 30, 2003. That may seem a while ago but it won’t when it happens to you . . .”

In this dramatic adaptation of her award-winning, bestselling memoir (which Michiko Kakutani in *The New York Times* called “an indelible portrait of loss and grief . . . a haunting portrait of a four-decade-long marriage), Joan Didion transforms the story of the sudden and unexpected loss of her husband and their only daughter into a stunning and powerful one-woman play.

The first theatrical production of *The Year of Magical Thinking* opened at the Booth Theatre on March 29, 2007, starring Vanessa Redgrave and directed by David Hare.
