10,000 Famous Freemasons: Vol. I William Denslow

This is volume one of four. This very rare and long out of print biographical work is a must for any Mason with a desire for Masonic research. This is NOT a photocopy of the original work, but a completely new, re-type set edition. While a few editorial changes have been made the work is for the most part as it was when first published. The largest change is the addenda that was at the end of the 4th edition. The addenda was a collection of corrections and additions to the work. We have incorporated the corrections and additions into the work itself removing the need for the addenda. **DON'T FORGET:** This is a **FOUR** book set with each book sold separately. The ISBNs are: 1887560319, 1887560793, 1887560424 & 1887560068.
