**Aliens + Alphas, Lust + Love: Sci-fi erotic romance** Callie Caprice, Celia Demure, Jennie Primrose  
Over 140K words of romance and out-of-this-world naughtiness... With curvy heroines and dominating alphas.

-Jess thinks her dreams of an aggressive alpha male claiming her are just the desperate fantasies of a lonely woman... Until a UFO stops her car on a country road one night, and she's abducted by a crimson-skinned alpha, her fated mate who's crossed the galaxy to possess her...

-Sarah has been cast out by her family, sold as a bride to a man she's never met. En route to her destination, however, her shuttlecraft is raided by space pirates. Their leader is a towering alpha, a genetically modified shifter known as a Star Wolf... And this beast will fight all challengers in order to protect her and make her his mate.

-Julia is imprisoned in her father's house, in the heart of a mad cult that worships an ancient alien. Her only hope is the handsome and courageous Ed Bolt, a driven loner who will stop at nothing to save her from the alien menace... And who is determined to claim her body and heart for himself.

-Heather has seen Earth conquered by telepathic alien invaders. Her only hope is an eccentric and powerful alien lord, a giant from a lost race. They become reluctant partners in fighting the invaders... But in order to achieve true victory, she will have to mate with him, and accept this arrogant alien alpha into her heart and inside of her body...

++Plus three other stories of alpha males, gods and lords who seek to claim and mate with the women they love.
