Armageddon Again John Bliss

Join author John Bliss in his theological study, *Armageddon Again: Where Have We Been and Where Are We Headed*, and discover the hidden truth about the many wonders of the world. Learn the basics for pursuing our destiny through revealing our past and the three worldwide cataclysmic periods: fire, ice and water. Whether you are a novice to theology or a scholar, this book will unlock your inner curiosity about religion and our future. *Armageddon Again* suggests that we are on the cusp of one final period of fire, as stated not only in Scripture but countless other ancient reports. Ancient records detail that Satan misguided man through cataclysmic events to incorporate an advanced and technological way of life that led them away from God. Proof is scattered across our planet that ancient civilizations were more technologically advanced than we are today and built what Bliss calls Wonderworks: magnificent stone structures and drawings etched into the earth's landscape. *Armageddon Again* is the key that opens the door to our hidden past and certain future that is critical for all of mankind to know. Everybody on the face of the planet, regardless of their religion, must realize that we are all bonded by the same history that draws us to the Divine. This history has been hidden from us by Satan in order to keep us from being in union with our heavenly Father. This union is the catalyst to not only usher in Jesus as King on Earth, but to also save those from the final cataclysm of fire that Scripture and other cultural texts warn us about. Once these revelations are brought to light, we will have no choice but to change how we live both physically and spiritually. John Bliss resides in Center Line, Michigan, with his wife, Mary. They have four children and are blessed with three grandchildren who live in Vancouver, Washington.
