The Virgin Homeowner: The Essential Guide to Owning, Maintaining, and Surviving Your First Home Janice Papolos

Few experiences in life are more unnerving than moving into your first home. All at once you and you alone are responsible - not the landlord, the super, or the co-op board. Not only do you have to keep all systems in working order, but you have to keep potential disasters at bay. Where is a rookie homeowner to turn? To Janice Papolos and *The Virgin Homeowner* - a clear, authoritative, and entertaining initiation into the arcane new world of home ownership - and the only book written exclusively with the first-timer in mind. Virgin homeowners will learn all the ins and outs of such previously obscure and/or scary subjects as fire safety; the need for proper ventilation; and radon, lead, and other threats to a healthy house. In a warm and penetrating closing chapter, "Finally Home," Papolos addresses the emotional aspects of putting down roots in a new community.
