In Living Color: The Beatitudes (Volume 2)

Paul W. Meier

In Living Color: The Beatitudes (Volume 2) Paul W. Meier

Although it's only a short part of the Sermon on the Mount in the Gospel of Matthew, the words of Jesus known as the Beatitudes reveal layers of meanings when they are interpreted from the perspective of his native tongue, Aramaic. Continuing his beautiful findings from *In Living Color: The Lord's Prayer*, Meier discovers beautiful and practice insights within the mysterious sayings of the Beatitudes that help those who study the Bible for its personal application sit up and pay attention. "Blessed are the poor and the meek—they will inherit the earth...Blessed are you when people persecute you—your reward is the kingdom of heaven." Has anyone ever convinced you it's to your advantage to be poor, meek, or persecuted? What are we missing here? As readers study each phrase in the Beatitudes, they will recognize a profound framework for spiritual maturation. Building around God's desire for unity among all creation, each Beatitude is explored to reveal internal, external, literal, metaphorical, and mystical treasures common to the Aramaic language. *In Living Color: The Beatitudes* concludes with small group bible study questions related to scripture and to the participants' life experience to explore how meditating with new perspectives on the traditional words of the Beatitudes that are rooted in the language Jesus spoke can help Christians grow spiritually. Editorial reviews: "Paul W. Meier hit the nail on the head by getting straight to the point; the heart of the matter is first realizing our state of being without Christ...The process goes forward from there - and Meier lays out the progression one by one making it easy to understand and put into practice! This would make a very thoughtful small group study. It presented the Beatitudes in a way I had not previously considered and gave me a much better appreciation of what Jesus was saying. I had never looked at the Beatitudes as a whole, describing the progressive changing heart of the believer. I highly recommend this book to everyone and anyone!" MaryAnn "Paul Meier tops his other good books here! The insights BREATHE with Spirit winds, and help us to see the Beatitudes with a new perspective--larger, deeper, and more embracing of the lives we live today. Yes! Yes! Yes! So valuable!" Jude Mogyordy
