International Political Risk Management: Needs of the Present, Challenges for the Future

International Political Risk Management: Needs of the Present, Challenges for the Future

This volume is the latest in a series based on the MIGA (Multilateral Investment Guarantee Agency)-Georgetown University Symposium on International Political Risk Management, with contributions from experts from the international investment, finance, insurance, and legal fields. Highlights include a treatment of regulatory risk in emerging markets by three distinguished lawyers, a proposal for a new type of war risk insurance coverage, the examination of the risk management needs of the international power sector from both legal and user perspectives, and a discussion of the future of the international investment insurance industry by leading private and public sector industry representatives.
