Journey Toward Wholeness: A Spiritual Encounter with Prostate Cancer R. Carroll Stegall

Journey toward Wholeness is the story of Stegall's experience with prostate cancer. Stegall brings his gifts as a storyteller and his perspective as a person of faith to a work that informs and helps enable cancer-sufferers (especially men) and their families to better articulate their fears, anxieties, and hopes as they struggle through the experience. There are roughly 180,000 new cases of prostate cancer every year; Stegall's insights, however, apply to anyone who is coping with life-threatening diseases and conditions.
