Dietrich thought death was final. But he was wrong.

When Dietrich buried his fiancée, Lottie, he descended into his own personal Hell – until he ran into her in a café in Houston two years later. Except this couldn't be her. Not after two years. She spoke the same, shared the same memories, yet something was different.

Determined to unravel this mystery, Dietrich attempts to find out how her resurrection is possible, only to uncover that the men who are responsible for her new life want her dead because Lottie isn't supposed to be alive. As he becomes locked in a deadly struggle with those who want to destroy her, he will discover just how much he's willing to sacrifice for the woman he once loved.

Resurrected is the first book in the Resurrected series, and begins the incredible journey of a group of friends who are struggling to survive against those who want them dead to protect their secrets.
