In **The Impostor Debutante**, Charlotte travels to London under a false identity. It seemed a good idea at the time ... but she did not foresee the maddening complications, or that she would fall in love under someone else's name.

Some years later, in **My Last Marchioness**, Charlotte and her husband James host a whole group of young lovers. Who will end up with whom? Add a lost infant, a fall from a horse, a chase across two countries, and a large helping of scandalbroth ...

**The Sister Quest** is the story of an ambitious young man who has already made his fortune, and wants to marry a well-connected, preferably titled lady. But when he travels to a small town on family business, his plans are thoroughly overthrown by the alluring, mysterious Cherry.
