## Beautiful Stories from Shakespeare - Macbeth E Nesbit

"It may be said of Shakespeare, that from his works may be collected a system of civil and economical prudence. He has been imitated by all succeeding writers; and it may be doubted whether from all his successors more maxims of theoretical knowledge, or more rules of practical prudence can be collected than he alone has given to his country." (Dr. Samuel Johnson)

But Shakespeare wrote for grown-up people, for men and women, and in words that little folks cannot understand. Hence Nesbit's *Beautiful Stories from Shakespeare*: to reproduce the entertaining stories contained in the plays of Shakespeare in a form so simple that children can understand and enjoy them.
