English Studies: New Perspectives Mehmet Ali Celikel

This volume offers a selection of revised versions of the papers presented at the 7th International IDEA Conference held at Pamukkale University in Denizli, Turkey, organised by the Association of English Language and Literary Studies in Turkey. The contributions to this book offer a wide range of research from scholars on a variety of topics in English literature, including Shakespearean studies, Victorian, colonial, and postcolonial literature, poetry, and drama studies. The volume also includes a number of informative research articles on comparative and translation studies which will offer assistance to young scholars in their academic studies. In addition to acting as a guide to young academics, the book will also function as a fruitful reference book in a wide range of English literary studies.
