Selected Poetry (Oxford World's Classics)

John Keats

Selected Poetry (Oxford World's Classics) John Keats

This is an entirely new selection of Keats's finest poetry containing all his best known work as well as a sample of less familiar pieces. Keats published three volumes of poetry before his death at age twenty-five of tuberculosis and, while many of his contemporaries were prompt to recognize his greatness, snobbery and political hostility led the Tory press to vilify and patronize him as a "Cockney poet." Financial anxieties and the loss of those he loved most had tried him persistently, yet he dismissed the concept of life as a vale of tears and substituted the concept of a "vale of Soul-making." His poetry and his remarkable letters reveal a spirit of questing vitality and profound understanding and his final volume, which contains the great odes and the unfinished *Hyperion*, attests to an astonishing maturity of power.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
