Here's the question parents ask at the end of every school year: How can we help our kids prepare for the next school year, while allowing them to enjoy their summer vacation? Here's the perfect answer: short lessons presented in a daily schedule for 8 weeks. The Monday-Thursday lessons cover a variety of grade-appropriate subjects. Friday's lessons are fun, brain-teasing kinds of activities. All of the lessons can be done in about 30 minutes, leaving children with plenty of time for play. Each book includes over 300 stickers that can be used to track progress and reward good work.
