**Jack London's classic story explores the timeless relationship between man and dog, retold for younger readers**

Buck is a much-loved dog who is kidnapped and transported to the snowy wastes of northwest Canada to work for gold hunters. He becomes more and more a dog of the wild, until he faces a pack of wolves. Exciting and action-packed, *Call of the Wild* follows the inevitable draw of primitive instincts that pull Buck away from civilization and humanity towards the lawless and harsh wilderness. This retelling has been shortened and illustrated for younger readers.
