Ilium series (2 Book Series) Dan Simmons

From Book 1:

The Trojan War rages at the foot of Olympos Mons on Mars -- observed and influenced from on high by Zeus and his immortal family -- and twenty-first-century professor Thomas Hockenberry is there to play a role in the insidious private wars of vengeful gods and goddesses. On Earth, a small band of the few remaining humans pursues a lost past and devastating truth -- as four sentient machines depart from Jovian space to investigate, perhaps terminate, the potentially catastrophic emissions emanating from a mountaintop miles above the terraformed surface of the Red Planet.

From reader reviews:

Joyce Burke:

The book Ilium series (2 Book Series) can give more knowledge and also the precise product information about everything you want. So why must we leave the best thing like a book Ilium series (2 Book Series)? A number of you have a different opinion about reserve. But one aim that book can give many data for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or information that you take for that, you are able to give for each other; you can share all of these. Book Ilium series (2 Book Series) has simple shape nevertheless, you know: it has great and big function for you. You can look the enormous world by open up and read a publication. So it is very wonderful.

Richard Vaccaro:

As people who live in the modest era should be change about what going on or information even knowledge to make these keep up with the era which can be always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what kind you should start with. This Ilium series (2 Book Series) is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

Larry Tatro:

Reading a book tends to be new life style on this era globalization. With studying you can get a lot of information that can give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only situation that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this Ilium series (2 Book Series).

Alan Sarno:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their down time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your free time/ holiday? Could possibly be reading a book can be option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the publication untitled Ilium series (2 Book Series) can be very good book to read. May be it could be best activity to you.
