**Sex and the City**, the popular television series and motion picture franchise, glorifies the lifestyles of four fashionable New York women who hang out in bars and talk bluntly about their broad range of sexual experiences.

The awards lavished upon the show would imply it holds some redeeming value. However, despite claims that *Sex and the City* is ultimately about the longing for a committed relationship, the glamorization of casual sex and always looking fabulous can take a toll on impressionable young women.

Just ask Marian Jordan. In *Sex and the City Uncovered* she admits, "A painful existence of 'looking for love in all the wrong places' is hidden behind images of couture fashion, witty dialogue, and beautiful people. I know this to be true because I've lived it."

A former party girl with her own stories of hookups, hangovers, and heartbreak, Marian now speaks about the unfailing love she has found in Jesus and helps struggling women fill their hearts with this same joy.
