Practical Lean Leadership: A Strategic Leadership Guide For Executives Bob Emiliani

Practical Lean Leadership: A Strategic Leadership Guide For Executives is the first book to present Lean leadership in ways that are specific and actionable for executives to apply at work every day. It links Lean principles and tools directly to leadership beliefs, behaviors, and competencies in new and innovative ways that connect to workplace and marketplace realities. It goes far beyond the common understanding of leadership and the training methods used for leadership development. The workbook can be used individually or by a leadership team in self-paced group training. Senior managers will be inspired by the proven approaches to improving their understanding and practice of strategic leadership.
