Emma Watson: The Biography David Nolan

She's Hollywood's highest-paid female star with millions of fans all over the world and she's barely out of her teens. Emma Watson's life has been an incredible story, one in which a girl whose parents divorced when she was very young ended up finding stability on a film set among the cast and crew of the Harry Potter movies. A film set that became her home for the next ten years. Like her fellow stars of the franchise, she has had to live her early years out in public. As a nine-year-old, she had never acted professionally before she was cast as Hermione Granger - the character that author JK Rowling based on herself. These days Emma Watson has grown up to be a sleek, international star dealing with being part of a global phenomenon that shows no sign of diminishing even as it reaches its story's end. As much at home at a fashion show as she is at a film premiere, Emma Watson's every utterance is news - even her hairstyle makes headlines around the world. She's already been the face of Burberry and her passion for fashion runs very deep.
