Status symbols that define the spirit of the age

Designers of genius. Henry van de Velde, Charles Rennie Mackintosh and Josef Hoffmann. Le Corbusier and Emile Jacques Ruhlmann. Charles Eames, Ettore Sottsass and Philippe Starck. At their hands furniture came into its own. The twentieth century transformed interiors into sets - and on those sets the creations of these designers played the star parts. This is a book about status symbols that express the character of their owners but, more than that, define the spirit of the age.
