Gifts of the Journey: A Journey to Forgiveness, Love and Hope Allen Rowe

Gifts of the Journey is the story of a little boy raised in the loving, nurturing environment of his doting grandmother. One sunny Saturday afternoon his world turned upside down when a stranger appeared at the door and took him away. The stranger was his mother. Thus his journey through darkness began. The little boy grew into a man, suffered many periods of isolation, loneliness, and despair. He always questioned why this had happened to him, and his struggles seemed endless. Finally, he decided to search for the meaning of forgiveness so he could experience love and put his painful past behind him. Gifts of the Journey is a book for anyone who has suffered adversity in their life. In a very compelling and touching way you too can find the same gifts he found. Gifts so special they have the power to change others lives forever. If you have ever wondered why you have been challenged in your life, why the road has seemed so rough at times, then Gifts of the Journey is a book with the answers you've been searching for. It's not enough to help you overcome adversity, but also to show you how to use your experience to help others in your own special way. Gifts of the Journey does that.
