Ben Macintyre's two bestselling accounts of World War II espionage are now available together exclusively as an ebook with an excerpt from the *New York Times* bestseller, *Double Cross*. A *New York Times* Notable Book of the Year, *Agent Zigzag* is the story of Eddie Chapman, a charmer, a criminal, a con man, and one of the most remarkable double agents in all of British history. Deemed "brilliant and almost absurdly entertaining" by Malcolm Gladwell, *Operation Mincemeat* unveils top secret material directly from the officers, spies, and masterminds of World War II. Each true tale is told through the vantage point of covert officials as they unravel webs of espionage and deception to yield Allied success. Macintyre's are words that read, according to *Entertainment Weekly*, "like something by Ian Fleming."
