Candace Camp

Beyond Compare (Mira) Candace Camp

Though Kyria Moreland is beautiful enough to earn the sobriquet "The Goddess" and rich enough to attract London's most sought after gentlemen, she has yet to find love and refuses to marry without it. When she receives a strange package under mysterious circumstances, she is confronted with danger, murder and a handsome American whose destiny is entwined with hers . . .

Rafe McIntyre has enough charm to seduce any woman, but his smooth façade hides a bitter past. Still, he has seen enough of the world to know Kyria is in danger, and he refuses to let her solve the riddle of this package alone. But even he is mesmerized by the events that unfold as Kyria begins to sort out the mystery put to her by the arrival of a priceless antiquity. Who sent her this treasure steeped in legend? And who is willing to murder to claim its secrets and its glory for themselves?

From reader reviews:

Jose Goodell:

What do you think about book? It is just for students because they're still students or this for all people in the world, the actual best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't need do that. You must know how great and also important the book Beyond Compare (Mira). All type of book is it possible to see on many solutions. You can look for the internet solutions or other social media.

Mary Rohan:

Reading a e-book can be one of a lot of task that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a guide will give you a lot of new data. When you read a book you will get new information since book is one of several ways to share the information or their idea. Second, studying a book will make a person more imaginative. When you studying a book especially fiction book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to some others. When you read this Beyond Compare (Mira), you are able to tells your family, friends and soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a e-book.

Dan Williams:

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The book that recommended to you personally is Beyond Compare (Mira) this book consist a lot of the information on the condition of this world now. This kind of book was represented so why is the world has grown up. The language styles that writer use to explain it is easy to understand. Often the writer made some study when he makes this book. That is why this book suitable all of you.

Mamie Donnelly:

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Beyond Compare (Mira) can be the response, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?
