Jewell Parker Rhodes

Douglass' Women: A Novel Jewell Parker Rhodes

WINNER OF THE 2003 PEN OAKLAND JOSEPHINE MILES AWARD FOR OUTSTANDING WRITING AND THE BLACK CAUCUS OF THE ALA LITERARY AWARD

Frederick Douglass, the great African-American abolitionist, was a man who cherished freedom in life and in love. In this ambitious work of historical fiction, Douglass' passions come vividly to life in the form of two women: Anna Murray Douglass and Otilie Assing.

Douglass' Women is an imaginative rendering of these two women -- one black, the other white -- in Douglass' life. Anna, his wife, was a free woman of color who helped Douglass escape as a slave. She bore Douglass five children and provided him with a secure, loving home while he traveled the world with his message. Along the way, Douglass satisfied his intellectual needs in the company of Otilie Assing, a white woman of German-Jewish descent, who would become his mistress for decades to come. How these two women find solidarity in their shared love for Douglass -- and his vision for a free America -- is at the heart of Jewell Parker Rhodes' extraordinary, epic novel.
