A Complete Novel With NO CLIFFHANGER

Jada just loves her life living in a small town. It's the perfect place to raise her daughter, and the charm of the people around her always make her feel at home.

Her only problem is her Ex, who's the Sheriff and constantly goes on power trips and gives her a hard time.

But when she meets a mysterious stranger in a dashing cowboy hat and boots she can't seem to be intrigued as strangers don't come through town often.

But as the stranger's past unfolds, Jada realizes they are connected in more ways than she ever imagined, and while she starts to fall for him, her life starts getting more complicated than she can handle.

Will Jada and the mysterious cowboy find love? Or will his past stop them from enjoying their bright future?
