Charles Nicholl

Leonardo. El vuelo de la mente (Leonardo da Vinci : Flights of the Mind) (Spanish Edition) Charles Nicholl

This biography traces the endlessly curious individual behind the legendary Renaissance genius and universal man. It traces Leonardo's remarkable journey from his obscure beginnings as an illegitimate child to his final days. Nicholl's discoveries penetrate Leonardo's personality, homosexuality and the extraordinary "flights" of his mind. He also paints a vivid recreation of the day-to-day minutiae of his life. Description in Spanish: Leonardo da Vinci es el artista más importante, más polifacético y más misterioso de todo el Renacimiento, pero, sorprendentemente, ésta es la primera biografía extensa que se ha escrito sobre él desde hace décadas. Charles Nicholl ha buceado durante cinco años entre todos los manuscritos, pinturas y artefactos para crear un «retrato íntimo» de Leonardo. A través de materiales de la época —los cuadernos y bocetos del pintor, relatos de testigos y las primeras biografías—, se introduce en el espíritu y la textura física de su vida y descubre infinidad de nuevos aspectos sobre su vida, su obra y su círculo de amistades
