Medical Terminology: Get Connected! Suzanne S. Frucht

For all courses in medical

This is a true introductory-level "essentials" text focusing solely on medical terminology, and on teaching students how to build and translate medical terms with confidence. Designed to be fun, accessible, and eye-catching, its powerful approach guides students step-by-step through mastering relevant word parts, understanding word roots, and word assembly. To help students learn meanings, correct spelling, pronunciation, and other components of each term, the book contains numerous exercises, tips, and colorful figures for learning and practice. It is flexible enough to be used either in support of lectures or as an independent student workbook.

Also available with MyMedicalTerminologyLab™

This title is also available with MyMedicalTerminologyLab—and online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. No matter their learning style, students will build a solid foundation of medical language through MyMedicalTerminologyLab's interactive games, Dynamic Study Modules, and narrated lectures.

Students, if interested in purchasing this title with MyMedicalTerminologyLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
