## **Effective Fire and Emergency Services Administration** Robert Fleming

Dr. Fleming's new book -- drawing from an array of business and administrative disciplines --provides a solid conceptual foundation for understanding, meeting, and exceeding the expectations of organizational stakeholders and preparing for professional, personal, and organizational success in fire administration. The book addresses the various course objectives and learning outcomes for both the Introduction to Fire and Emergency Services Administration course within the FESHE Associate's Model Curriculum and the corresponding bachelor's course, Fire and Emergency Services Administration.

Effective Fire & Emergency Services Administration will be an invaluable resource for students (both undergraduate and graduate), and current fire and emergency services personnel of all ranks who are preparing for career advancement, including promotional examinations. It also will serve as a very useful reference for current fire and emergency service operational and administrative officers.
