First Comes Marriage: Modern Relationship Advice from the Wisdom of Arranged Marriages Reva Seth

Seven time-tested secrets to dating the husband of your dreams -- taken from the centuries-old tradition of arranged marriages

Want commitment, love, and romance? Forget *The Rules*, and stop waiting for an idealized Prince Charming. In *First Comes Marriage*, Reva Seth shares the wisdom of more than three hundred women in arranged marriages...and shows how this classic tradition can teach twenty-first-century women important lessons about how to find -- and keep -- Mr. Right.

The men you date will become the men you marry. The seven secrets in this counterintuitive guide will help you become more selective *and* increase your chances of finding the right person to share your life with. Seth knows her secrets work -- she married her husband after only meeting him seven times.

- **Secret #1: Your man doesn't have to be your best friend.**
(That's why you've had a best girlfriend all along, right?)
- **Secret #4: It doesn't matter if he doesn't dance.**
(Common interests are less important than shared values.)
- **Secret #6: Sexual chemistry isn't always organic.**
(Attraction can be created -- if you know how to unlock your passion.)

A practical, surprisingly progressive guide to love and romance, *First Comes Marriage* will open your eyes to what makes a guy perfect for you...and will help you find him, date him, and keep falling in love with him forever.
