HE IS A BIKER, SO HOT, COCKY, & IRRESISTABLE...

The worst part is she can't keep her hands off him...

Lisa Parker is happy and content with her extracurricular activities. She has a good practice that stays running thanks to the local judges. She received her license to study psychiatry years ago but has just now put it to good use in the past five years. She gets all the rough necks and straightens them out to go back on the street or sends them to jail. That's the two choices you have until she meets Lucas Cobbs. Lucas is her new assignment and **his good looks** and carefree attitude aggravate her to **pulling her hair** out. The worst part is she wants him. NO matter how much she tells herself to send him back to the judge she finds herself yearning for his touch.

Lucas is a carefree spirit who has had a streak of bad luck. With a mysterious past and friends that aren't always trustworthy he is pissed when he winds up having to take a mandatory 6 week program until he sees the doctor. She is stunning and **he wants her**. When things turn bad he leaves and comes back in time to enjoy his **wildest fantasies** with the woman he has fantasized over. Except this time **he won't be alone**.
