You see, my life may not be perfect, but I am truly blessed. With a loving family. With options for a brighter future. And with a boyfriend who is caring and loyal and kind. I wouldn't dare do anything that would make me lose any of them.

But a series of events will lead to one night of reckless passion... one night that will change everything.

The world I know will burn and crumble, and nothing will ever be the same again.

Then there's the matter of the secret he keeps... a secret so dangerous that it threatens to harm us all...

Including the tiny heartbeat that pulsates with mine.
