*It's not wrong if it's in the dark...*

**When the lights go down, even the straightest studs cross that dangerous line and fall for the most forbidden one...**

I'm totally straight but ever since this young guy named Jason moved in next door, I've found my thoughts wandering into some very forbidden territory. I'm not supposed to like men, after all; but this guy just does something to me. And when the power goes out in our apartment building and he comes over, things get **very hot** in the cool dark of night. When the lights go out distinctions fade and gender disappears, and lust is the only hard truth.
