There is nothing quite like walking into your room, and spotting a massive, novelty sized toy laying on your bed that doesn't belong to you. Leah's heart skips a beat, and she steps a bit closer to confirm what she sees. Yep, a big black rubber toy.

Leah lives at home with the **man of the house**. After he overhears her moaning his name into her pillow through the thin walls, he stops at an adult store to pick up a few toys. Who better to show her the ropes, and introduce her to all of the stretching, backdoor, vibrating fun that can be had with them than her experienced older man?

Come along for this wild ride! The man of the house and his naughty brat, playing together with toys!
