Dispatches from the Dating Front Lines Cindy Chupack

Cindy Chupack takes a hilarious look at love, dating, and not dating in this witty, truthful and utterly charming book. Tackling topics such as "relationship reruns" (a sobering stage when you realize that the men you meet are basically repeats of the men you've already dated) and "relocationships" (the kind of relationship that necessitates moving to a place where you would never consider living), *Dispatches from the Dating Front Lines* is as reassuring as that late-night post-date phone call to a best friend. It says: you may be single, but you are not alone.

Praise for *The Between Boyfriends Book: A Collection of Cautiously Hopeful Essays*

"Oh, how I love this book! I laughed out loud again and again. It hits such an intimate and true chord, it's painful actually, how insightful Cindy Chupack is. Every woman who's been through the dating miasma must read it."

- Julia Sweeney

"Cindy Chupack is funny about single. Very funny. And smart. And sympathetic. And empathetic. And helpful. And the stories in this book are really horrible in a great way."

- Delia Ephron
