Reviews of the full edition of Voyage of the Dead:

By The Kindle Book Reviews:

"...Without a doubt one of the better Zombie books... What I liked about the story is the 'end of the world' because of Zombies is not a certainty. It is not one or two people trying to stay alive. There are pockets of people with a plan to fight back and to take back the earth. The story makes enough sense that it could be possible. This is a story about people trying to stay alive, not just killing hoards of the walking dead."

Anthony Wessel reviewer at [TheKindleBookReview.com](http://TheKindleBookReview.com) and founder of [DigitalBookToday.com](http://DigitalBookToday.com)

"This is one of those books that starts with a bang and I read waiting for the pace to slacken, except it doesn't. Too often, books of this kind start out with an action scene, and then we get chapters of backfill and descriptions of the soap opera-like travails of our characters. While Forsyth indeed fills in the characterizations, the key quality of this book is that most valuable in any kind of thriller--PACING." John S.

Reviews of the Introductory First Look:

"A zombie lover's wet dream! [It's] very tense, visceral, and a joy to read." Joey Rosenthal.

"The Walking Dead meets Battlestar Gallactica! This novel has all the ingredients for an epic series of books and would be great for television too. It's like a Star Trek of the Zombie Apocalypse..." Tom McWilliams

"Five stars! I'm not usually a zombie fan, but this is a real page turner. I can't wait to see what happens next."  
Pam Resnik
