One Ranger: A Memoir

H. Joaquin Jackson

One Ranger: A Memoir H. Joaquin Jackson

When his picture appeared on the cover of Texas Monthly, Joaquin Jackson became the icon of the modern Texas Rangers. Nick Nolte modeled his character in the movie Extreme Prejudice on him. Jackson even had a speaking part of his own in The Good Old Boys with Tommy Lee Jones. But the role that Jackson has always played the best is that of the man who wears the silver badge cut from a Mexican cinco peso coin—a working Texas Ranger. Legend says that one Ranger is all it takes to put down lawlessness and restore the peace—one riot, one Ranger. In this adventure-filled memoir, Joaquin Jackson recalls what it was like to be the Ranger who responded when riots threatened, violence erupted, and criminals needed to be brought to justice across a wide swath of the Texas-Mexico border from 1966 to 1993. Jackson's tenure in the Texas Rangers began when older Rangers still believed that law need not get in the way of maintaining order, and concluded as younger Rangers were turning to computer technology to help solve crimes. Though he insists, "I am only one Ranger. There was only one story that belonged to me," his story is part of the larger story of the Texas Rangers becoming a modern law enforcement agency that serves all the people of the state of Texas. "There's adventure here, and wit, and camaraderie, and poignancy, all delivered with a certain swagger by a man who never wanted any other life but the one he chose, and who did his best as he saw it all along the way." Bill Wittliff, distinguished photographer, writer, screenwriter, and producer.
