The Devil Repents: Genesis Philip Garbarino

Book one in the reader-driven trilogy between God, humanity and the devil. The Devil Repents goes where no other book has ever gone; to the first evil thought that the devil ever had to a cocktail party in Hollywood while inviting readers to cast votes to complete the story in this three book trilogy. The Devil Repents pulls back the curtain of the spiritual realm of darkness, exposing the raw ungodliness he sows in mans hearts and minds, but why now? Join the intrigue with a best-selling horror novelist, a world famous celebrity and an atheist, all whom get sucked into a confluence of unfortunate events. Delving deep into his bag of deceptions, the devil reveals his most guarded secret to renowned author—how he deceives humanity time and time again. Now the tables turn on the devil. His secret is out and he's got little to bargain with. Unless...has the devil found a clause in the last page of the Bible that just might provide and out? And even if he does, should God forgive the devil? Should God Forgive the Devil? You Decide! You decide and help create the drama, excitement and ultimate outcome. The Devil Repents is an interactive Trilogy. Two more books are yet to be written, and with your help, they will!

From reader reviews:

George Valentine:

Book is to be different for every grade. Book for children until eventually adult are different content. As it is known to us that book is very important for people. The book The Devil Repents: Genesis seemed to be making you to know about other understanding and of course you can take more information. It is quite advantages for you. The reserve The Devil Repents: Genesis is not only giving you far more new information but also to be your friend when you sense bored. You can spend your own spend time to read your guide. Try to make relationship together with the book The Devil Repents: Genesis. You never sense lose out for everything if you read some books.

Joan Stauffer:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining like comic or novel. The particular The Devil Repents: Genesis is kind of guide which is giving the reader erratic experience.

Carmela Martin:

Playing with family in a park, coming to see the marine world or hanging out with friends is thing that usually you might have done when you have spare time, after that why you don't try factor that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Devil Repents: Genesis, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

Paul England:

Reading a book to become new life style in this year; every people loves to study a book. When you go through a book you can get a wide range of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, along with soon. The The Devil Repents: Genesis will give you a new experience in examining a book.
