The Shepherd of Hermas: Early Church Documents Series Anonymous

The Shepherd of Hermas (Greek: Ποιμὴν τοῦ Ἑρμῆ; Hebrew: ??? ????; sometimes just called The Shepherd) is a Christian literary work of the 1st or 2nd century, considered a valuable book by many Christians, and considered canonical scripture by some of the early Church fathers such as Irenaeus. The Shepherd had great authority in the 2nd and 3rd centuries. It was bound with New Testament[1] in the Codex Sinaiticus, and it was listed between the Acts of the Apostles and the Acts of Paul in the stichometrical list of the Codex Claromontanus.

The work comprises five visions, twelve mandates, and ten parables. It relies on allegory and pays special attention to the Church, calling the faithful to repent of the sins that have harmed it.

The book was originally written in Rome, in the Greek language, but a Latin translation was made very shortly afterwards. Only the Latin version has been preserved in full; of the Greek, the last fifth or so is missing.

The shepherd is one of the meanings that was probably attached to some figurines of the Good Shepherd as well as a symbol for Christ, or a traditional pagan kriophoros.[From Wikipedia]
