Let the Cry Arise! Hollywood has many times told the story of the Great Exodus-how God brought His Chosen People out of bondage in Egypt and led them into the Promised Land. But few know the story of the Second Exodus-the great migration of the descendents of Abraham that is happening right now. Exodus Cry traces this new Exodus to its biblical roots and offers a prophetic look ahead to its thrilling climax. Jim Goll takes you behind the scenes of an unfolding drama, unveiling God's plan to bring millions of Jewish people to Israel and out of persecution-and how the Church is called to carry them home on shoulders of prayer. Goll challenges Christians to stand with the Jewish people and raise the cry on their behalf. The Great Exodus from the North as prophesied in the Word has already begun-a movement that will lead to the eyes of Israel opening at last to see their Messiah!
