Robert Michael Pyle

Where Bigfoot Walks: Crossing the Dark Divide Robert Michael Pyle

Robert Michael Pyle trekked into the Dark Divide, where he discovered a giant fossil footprint; searched out Indians who told him of an outcast tribe that had not fully evolved into humans; and attended the convocation in British Columbia called Sasquatch Daze, where he realized that "these guys don't want to find Bigfoot-they want to be Bigfoot." Ultimately Pyle discovers a few things about Bigfoot - and a lot about the human need for something to believe in and the need for wilderness in our lives.
