Jake Understood Penelope Ward
CAN BE READ AS A STANDALONE.

From the New York Times bestselling author of Jake Undone, comes a full-length standalone companion novel and sequel.

A different side to the story: Jake's side.

"We're getting a new roommate," they said.

I thought nothing of it...until she walked in the door. Her hand trembled in mine as she looked at me with fearful eyes. My entire world spun on its axis.

Nina...

It was a mismatch made in heaven: innocent girl from the boonies moves in with tattooed, pierced, badboy engineer.

I came up with a bet, a plan to tutor her in math and coach her through her phobias. What I wasn't betting on was becoming addicted to her.

But I was living a double life on weekends, and once she found out about it, she'd be gone.

I had to protect myself and that meant one thing: I couldn't fall in love.

Author's note: This is NOT an exact retelling of Jake Undone. While pivotal scenes from Jake Undone are retold from Jake's point of view, Jake Understood is its own story that includes ALL-NEW material from both the past and present time where Jake Undone left off. It can STAND ALONE, but if both books are read, should follow Jake Undone for the best reading experience. Contains graphic sexual content and harsh language. It is only appropriate for adult readers age 18+.
