## **Neveryóna, or: The Tale of Signs and CitiesSome Informal Remarks Towards the Modular Calculus, Part Four (Return to Neveryon) Samuel R. Delany**

In his four-volume series Return to Nevèryon, Hugo and Nebula award-winner Samuel R. Delany appropriated the conceits of sword-and-sorcery fantasy to explore his characteristic themes of language, power, gender, and the nature of civilization. Wesleyan University Press has reissued the long-unavailable Nevèryonvolumes in trade paperback.

The eleven stories, novellas, and novels in Return to Nevèryon's four volumes chronicle a long-ago land on civilization's brink, perhaps in Asia or Africa, or even on the Mediterranean. Taken slave in childhood, Gorgik gains his freedom, leads a slave revolt, and becomes a minister of state, finally abolishing slavery. Ironically, however, he is sexually aroused by the iron slave collars of servitude. Does this contaminate his mission -- or intensify it? Presumably elaborated from an ancient text of unknown geographical origin, the stories are sunk in translators' and commentators' introductions and appendices, forming a richly comic frame.
