These werehoney badgers just don't care.

I was a **curvy**, busy CEO, and I took a well-deserved sojourn.

In Paris, I met two French **shifter** venture capitalists: Benjamin and Bernard. They introduced me to the way that Frenchmen do business meetings.

When my vacation was done, I left because I knew I could never be the woman that they wanted me to be.

When I get surprising news about a gift arriving in **nine months**, will they come to my rescue? Or will they leave me on my own?

Note: This story is a steamy **STANDALONE SHORT** with a happy ending. If you don't like shifters and steamy scenes with **multiple partners**, give this book a miss. If you enjoy reading about beautiful, curvy women and powerful, confident shifters, this was written for you. Enjoy!
